<u>from Ep. 3 - reprise</u> | / Reprise Scene 47 Episode Three. |
| 1. <u>CU countdown clock</u> | / The DOCTOR straining to lift the column that entombs the unconscious ROMANA. Intercutting on the ever reducing counter. With only fifteen seconds left we are very TIGHT ON THE DOCTOR. |
| 2. LS DOCTOR trying to remove tube, Movellan gun in & he falls unconscious | |

DOCTOR: It's no good...

The muzzle of a Movellan gun edges into SHOT, presses against the DOCTOR'S NECK, There is a high pitched buzzing sound.

The DOCTOR writhes in pain then falls unconscious.

3. CU countdown clock

WIDEN TO SHOW AGELLA, COMMANDER SHARREL, LAN and A COUPLE OF MOVELLAN CREWMEN standing behind the DOCTOR. They look down without emotion.

They turn their attention to the timer. It completes its cycle with a click. Nothing more happens. SHARREL turns sharply to AGELLA.

4. Group shot MOVELLANS, fav.
SHARREL

SHARREL: Malfunction?

AGELLA: No. I didn't arm the device. It seemed unnecessary as we merely wanted to draw the Doctor in to the open.

SHARREL: Very well ...

SHARREL: Take ~~him~~ her.

SHARREL: You ~~bring her~~ ^{two - take him} ...

SHARREL follows.

AGELLA and LAN release the seals at the base of the tube and start to lift it.

ANOTHER ANGLE:

5. VLS MOVELLANS, DOCTOR & ROMANA,
TYSSAN moves into f/g, he moves
oov left
6. LS TYSSAN running away
7. VLS MOVELLANS removing DOCTOR &/
ROMANA

Some distance away hidden amongst the rocks we see TYSSAN observing the scene. He watches with concern for a few moments and then moves away purposefully.
